# Cell Phone Recycling

- An estimated 130 million, or roughly 65,000 tons, of cell phones will be retired every year for the next 3 years
- At the rate cell phones are being recycled right now, less than 1 percent of those phones will end up being recycled

Drop off your cell phones (no accessories or chargers) at TARC Industries, 1800 SW 42nd St. **or** the main TARC building, 2701 SW Randolph
